

Pine Tree Council Eagle Scout Service Project Crowdfunding Guidelines

- It is preferred that fundraising not be required for Eagle Scout Service Projects.
- Where fundraising is necessary, the Eagle Scout fundraising form must be turned in to the Council Service Center at least two weeks before the project begins.
- The National Council does not encourage crowdfunding. If crowdfunding is your method of choice, in addition to the Eagle Scout fundraising form, this form also must be completed and signed.
- The crowdfunding site will be monitored by the Eagle Scout candidate, the beneficiary, and a member of the District Advancement Committee. This contract will be signed by all three.
- It is preferred that the project beneficiary sign any contracts, use their email address, bank account and set up crowdfunding donation opportunities. If this is not an option, the Troop Committee Representative will do so on behalf of the project beneficiary.
- Once the goal amount is reached, the crowdfunding page is to be shut down and no further donations collected. As with any donations to an Eagle Project, money raised and not used is the property of the beneficiary and must be turned over to the benefiting organization once the project is completed.

Beneficiary _____

Eagle Scout Candidate Name

Name of Individual Creating Donation Account

Project Name

Crowdfunding Source

Eagle Scout Candidate _____

Date _____

Beneficiary _____
